City Christian School relies on its partnership with our families. We request that parents earn 20 Parent Points throughout the school year. Parent Points may be earned in a variety of ways including, but not limited to, driving on field trips, helping with fundraisers, classroom activities and assisting with projects around the facility. Each family will be given a tracking sheet to log points earned. At the end of each quarter, parents submit their points to their child's teacher. Points earned are recorded on the student's report card. There is a \$10 charge for each point not earned. Families with more than one student should follow these guidelines: 20 points for the first student, 10 points for the second student, & 5 points for each additional student.
